Grace and peace (3)

The true Gospel rescues us from this evil age (4):

- its pleasures no longer entice us
 - its pressures no long worry us
 - its people are no longer idols to us
 - its religious practices are of no use to us
- Two tests of false teaching: life of the teacher; God’s glory

False Gospels:

- Claim to be Christian, a part of Christianity.
- Check for the five solas: The real Gospel is based on Christ alone, faith alone, grace alone, is found in Scripture alone, and is for the glory of God alone.
- Check for man-pleasing not God-glorifying:
 - Feels good to our fleshly nature.
 - Allows for freedom in the flesh (which is really slavery).
 - Brings popularity.
 - Brings wealth to the leaders.
