

“Five Things About Miracles” Judges 7

(Parentheses () are verses in Judges Chapter 7)

- 1. Miracles are for signs that God is at work (2).**
- 2. Miracles come with faith but it doesn't mean there won't be fear (9-14).**
- 3. God is working all along, not just in the moment of deliverance (10-14).**
- 4. God often asks us to participate (15-20).**
- 5. Sometimes the miracle is the beginning not the end of the matter (23-25).**

Miracles are about glorifying God, & God is still glorifying Himself through miracles today. In general, the church today is not looking for miracles.
