

Sermon Notes  
“Behind the Curtain”  
Job 1

2024 Summer Sermon Series, “My Summer Job,” Part 1

**1. Reasons for suffering**

1. Consequences for wrong-doing.
2. Punishment by God for wrong-doing.
3. Chastening by God for wrong-doing.
4. Discipline from God for growth.
5. God using us in a much, much bigger plan.

**2. Job overview, background**

Job was a spiritually and morally upright man: 1:1, 1:8, 2:3, Chs. 29 & 31.

Job asked why (3:11-12, 16, 20) but also demanded God answer (13:22, 19:7, 31:15).

Uz near a desert (1:9), fertile for agriculture and livestock (Jer. 1:3, 1:14, 42:12). The “people of the east” perhaps Kedar in northern Arabia (Jer. 49:28).

**3. Job’s bio (1-5)**

Four attributes of Job: Blameless, upright, fearing God, turning away from evil, repeated twice by God in 1:8 & 2:3.

Chapters 29 & 31 have many other biographical facts about Job.

**4. Behind the Curtain 1 (6-12)**

Satan “roaming about on the earth and walking around on it” perhaps looking for those whom he could accuse and dominate (1 Pet. 5:8). This may also suggest his exercising dominion over the earth and its people (Deut. 1:36, 11:24; Josh. 1:3, 14:9). Satan is “the god of this Age” (2 Cor. 4:4; Eph. 2:2) and “the whole world is under the control of the evil one” (1 John 5:19).

**5. Results of Meeting (13-19)**

**6. Job worships (20-22)**

Dr. Zuck: “It is truly remarkable that Job followed **adversity** with **adoration**, **woe** with **worship**. **Devotion** is possible without **dollars** received in return; people *can* be godly apart from material gain.”
